

CNS Histo Summer Notes

كل الشكر والتقدير لصاحبة هذا المجهود الرائع، ربنا يجعل تعبها في ميزان حسناتها ويباركها
في علمها ووقتها ويفك كربها 💕

بالنسبة للهستو
كمان دكتورة داليا خفت كثير من علينا
ربنا يبارك لها يا رب 🙏🙏🙏🙏
و دي نوتس الهستو

Histo notes dr Dalia 📧📧

mention types of nerve cells according to number of processes

McQ types of nerve cells >> examples

mention types of multipolar nerve cells

McQ types of nerve fibres >> examples

McQ myelinated without neurolemma >> examples

structure of peripheral nerve trunk :-

CT components saq + McQ

nervous practical

mention types of neuroglia like cells

mention types of neuroglia proper

McQ cells form CSF >> ependymal cells

cells lining neural tube >> spongioblast

mention 4 sensory nuclei of Dorsal horn nuclei

mention tracts which carry conscious proprioception

mention tracts which carry unconscious proprioception

McQ lateral spinothalamic carry which sensation

ببيجي كثير و ده الاكثر احتمالية أنه ببيجي opposite side أو same side مش هيسالوا في

McQ tract responsible for spinovisual reflexes ببيجي كثير و ده الاكثر احتمالية أنه ببيجي

enumerate extra pyramidal tracts
