

MSS index

| Subject | Lectures | Lectures link | Revision |
|--------------|--|----------------------|----------------------|
| Histology | Histological structure of cartilages. | Here | Here |
| | Histological structure of bone | Here | |
| | Histological structure of Skeletal & smooth ms. | Here | |
| Physiology | Physiology of the neuromuscular transmission & its modulation. | Here | Here |
| | Muscles | Here | |
| | Muscles II | | |
| | Metabolic aspect of muscle exercise. | Here | |
| | Types of muscle contractions and muscle fibers. | Here | |
| | Smooth muscles | Here | |
| Pathology | Pathology of joint diseases. | Here | Here |
| | Osteodystrophy | Here | |
| | Osteomyelitis | Here | |
| | Bone tumors. | Here | |
| | Soft tissue tumors. | Here | |
| | Analgesics | Here | |
| Pharmacology | Analgesics & antipyretics. | Here | Here |
| | Pharmacotherapy of corticosteroids | Here | |
| | Skeletal muscle relaxant. | Here | |
| | Disease Modifying Antirheumatic drugs (DMARDs). | Here | |
| | Trichinellosis | Here | |
| Parasitology | Muscular cysticercosis. | Here | Here |
| | Clostridium & anaerobiosis. | Here | |
| Microbiology | Anatomy of the vertebral column. | Here | Here |
| | Deep muscles of the back & arm muscles. | Here | |
| | Shoulder girdle, shoulder joint & axilla. | Here | |
| | Anterior and posterior forearm muscles. | Here | |
| | Joints of the upper limb + Hand | Here | |
| | Nerves of the upper limb & injuries. | Here | |
| | Vessels of upper limb | Here | |
| | Anatomy of the thigh. | Here | |
| | Gluteal region popliteal fossa. | Here | |
| | Muscles of the leg. | Here | |
| | Muscles of the foot. | Here | |
| | Vessels of the lower limb, retinacula. | Here | |
| | Development and anomalies of vertebral column & limbs | Here | |
| | Joints of the lower limb | Here | |
| | Nerves of the lower limb | Here | |
